

# Modeling and Simulation Information Analysis Center (MSIAC)

# **Briefing Outline**

- What is MSIAC
- What Services and Support Does it Provide - Why Should the Community Care?
- How Does a User Use MSIAC
- What's the Cost for Using MSIAC
- Summary
- Questions

## What is MSIAC Mission?

#### **GENERAL IAC MISSION**

- Improve the productivity of Defense researchers, engineers, operators, and program managers by:
  - Serving the research, development and acquisition communities
  - Collecting, analyzing, synthesizing and disseminating worldwide STOSI
- Promote standardization within specific technical areas.
- Provide in-depth analysis services
- Create specialized technical information products.

#### **MSIAC MISSION**

- Be a **Center of Excellence for M&S** knowledge
- Productivity through reuse and interoperability
- Supporting M&S across all phases of life cycle
- Interface of real-world systems with M&S technology
- Application of M&S to support operational effectiveness
- TATs for operational support; S&T; E&T; employment of M&S; MSRR; software; conferences; VV&A; HLA

## What is MSIAC?

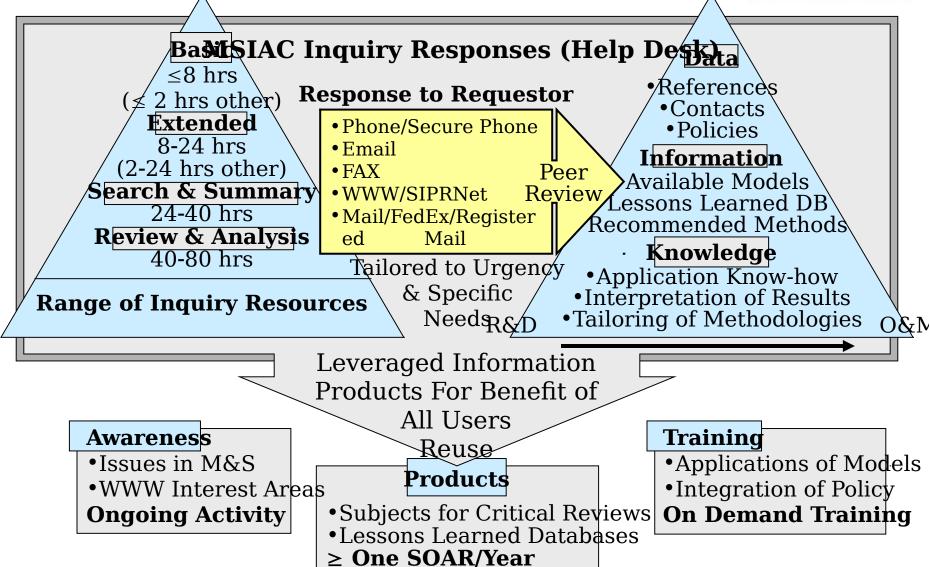

- A Help Desk
- A Technical Support Staff
  - Independent Technical Assessment, IV&V, Design and Development support
- A Operational Support Staff
  - Event design, planning, execution support and assessment
- A M&S Knowledge Source
- A Place to Access Community Support Activities
  - M&S Calendar
  - M&S Special Interest Areas
  - Currently available: OOTW, Training, SBA, Master Plan, Impact Assessment, HOBM
  - M&S State of the Art
  - M&S Support Services

# Solving User Problems

#### MSIAC Information Supports over 3,000

# Essential Elements:

#### Sources:

- M&S Descriptions, Documentation
- VV&A Histories
- Lessons Learned/"How To's"
- Best Practices **Distribution Lists**
- Databases
- Technical Documentation
- Who's Who
- M&S Needs
- Currency, Reference
- Accv acy, Integrity

**User Query** 

SIA

# Collection

- Auto Web Download
- DROLS online
- Classified Locations
- Subscriptions/Lab
- OTHER MEANS Other IACS
  - TATS
  - Primary Distribution List
  - Direct Personnel Contact/ **Professional Societies**
  - Conferences, Wohops

Mine **TATS** 

**MSIAC** 

**KBIAC** 

Staff collects and stores information needed by client(s)

Mine relevant Mine TATs and information developed by collaborative sessions

TAT products of MSIAC and other IACs

COLLECTION

BY

**ELECTRONIC** 

OR

Dedicated information collection by knowledge manager and staff, focused by "Field of Interest Form"

Knowledge management methods; (e.g., automated data mining, text abstraction)

# MSIAC Provides Access to M&S SMEs

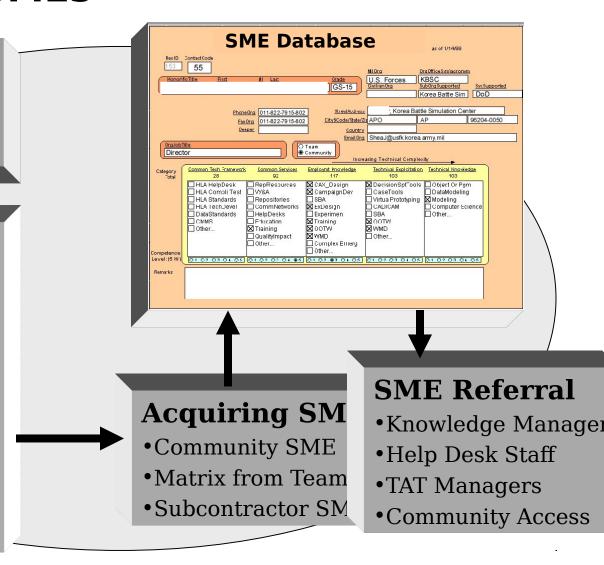

#### Define SME Criteria

- Ongoing proactive requirements
- Customer

Specifications

#### **Identifying SME**

- The Team
- Subcontractors
- MSOSA/DMSTTIAC SME Databases
- Standards Bodies
- Personal Networks
- Authors Search
- Major M&S Conferences
- Industry, Academia

MSIAC Products & Services Are for PM

-NATO MASTER HIS Impacting DeD

Fostered simulation reuse and interoperability in NATO

•MPARE Master Plan for SOCOM

Integrates mission planning, constructive simulations,

- •M&S Staff Officer Course Five day course provides M&S orientation for staff officers
- •Smart Weapons Training Seminar

Hold ning times annually

•PDD62: WMD M&S
Assessment

DDR&E Uses for WMD R&D

Battle Lab Handbook for DMSO

Categorization of battle labs and resources

Source for free terrain database provided **cost** avoidance of \$1 million for PM-Commanche

- •USEUCOM Spectrum Study
  Basis for use of M&S in support of
  OOTW
- •USAREUR: Bosnia Training Tool
  Tradeoff
  Assessment of Training Tools for PreBosnia Deployment
- •CENTCOM-Middle East:
  Planning process for Converting from
  Live
- •Joint Strike Fighter SIA

  SIA web site provides forum for development/configuration control of JIMM
- •SBA SIA for DMSO
  Collaborative SIA to develop SBA
  Roadmap

# Examples of How MSIAC Could Help

Representative Support Requireme	Representative ntroduct/Service	Representative Approach (Begin by understanding user-based requirements & assist customer in defining his needs)
What Is JSAF?	"White Paper on IS	e:Search MSRR, DROL, M&S Catalogs  Consult JSAF developers and user base Synthesize, Peer Review and disseminate
M&S Employment Information ('How-To-Guide')	<b>SOAR</b> : User's Guide use of M&S to support joint training	•Contact CINC staffs and SIM for documents  to Establish Open Response Forum (ORF)  to Synthesize results, Peer Review, and  Disseminate
How Could I get Community Support to Develop a SBA	Product: <b>Special Int</b> <b>Area</b> for SBA	nestain COTR Approval erestablish Special Interest Area, appoint facilitator, and execute
Roadmap? Military Exercise and Demonstration Support	TAT: Develop Recommendations for testing the 20-Ton Tr in a Virtual Environm	ıck
M&S Education	Education and Training On-Line M&S Orientation Course	• Conduct Needs Assessment • Obtain COTR approval for course & for cost recovery approach • Based on needs assessment, convert existing M&S 101 to DL Format • Gain IIT Accreditation (If desired) • Conduct Course—collect feedback

# MSIAC & the MSRR

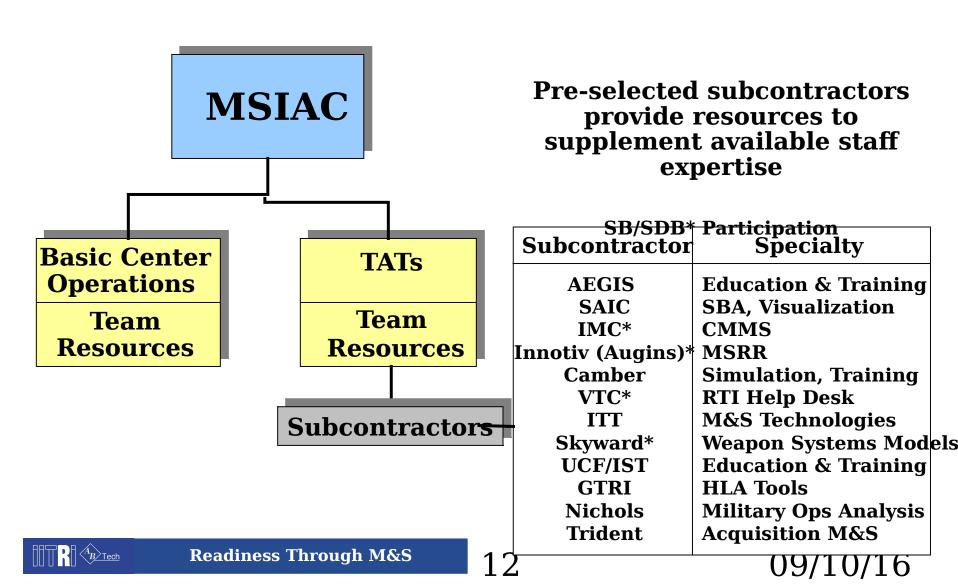

- MSIAC provides life cycle support to DMSO MSRR Node
  - Registrar
  - Help Desk
  - Systems Administration
  - Sustainment
- MSIAC Adds content to MSRR (has more than doubled MSRR holdings since MSIAC award)
  - Information in other repositories not duplicated
  - Recent Adds
    - Contents Joint Model Catalog provided by J-8
    - Extensive Inventory of Medical Models
    - Extensive Inventory of WMD Models

# Pre-selected Subcontractors: "The M&S Community's Proven ALL-STARS"

## Technical Area Task Categories

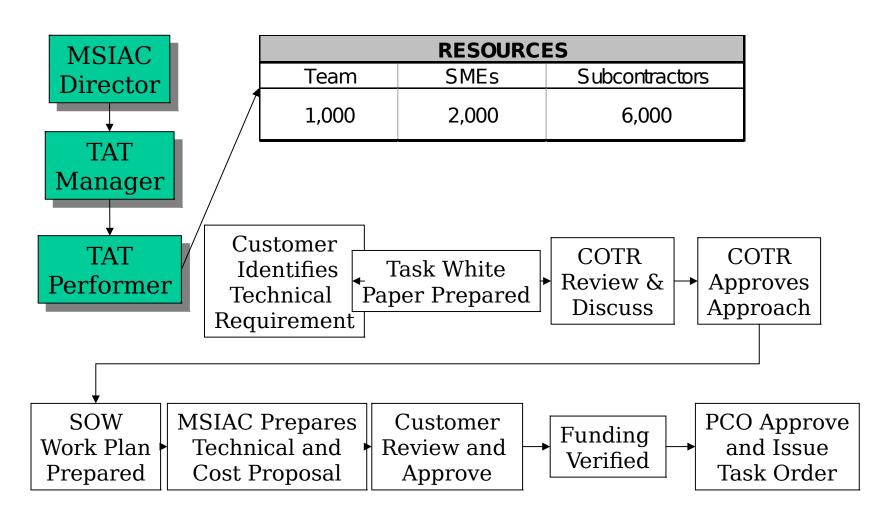

- Operational support services
- M&S Scientific and technical analysis
- M&S education and training
- M&S employment assistance
- Technical and management support to MSRR
- Software and documentation distribution
- M&S conference support
- VV&A technical assistance
- High Level Architecture compliance support
- Simulation impact assessments
- Dedicated support task
- Communications requirement definition and service allocation

(TATs performed on a fee for service basis)

# MSIAC Organizational Structure

#### **MSIAC Services**

- The MSOSA M&S Help Desk, M&S Calendar, and Special Interest Area services remain in place and additional IAC functions focussed on M&S knowledge acquisition/dissemination and State of the Art Assessments are added
- Responses to basic M&S help desk inquiries provided free of charge within the following limits:
  - DoD customers up to 8 staff hours of support
  - Other approved users up to 2 staff hours
- Responses to inquiries requiring more extensive staff support (up to 80 staff hours) may be provided on a cost recoverable basis (subscription account)

Note: In those instances in which a customer does not have access to a subscription account, extended help desk inquiries can be supported as a TAT

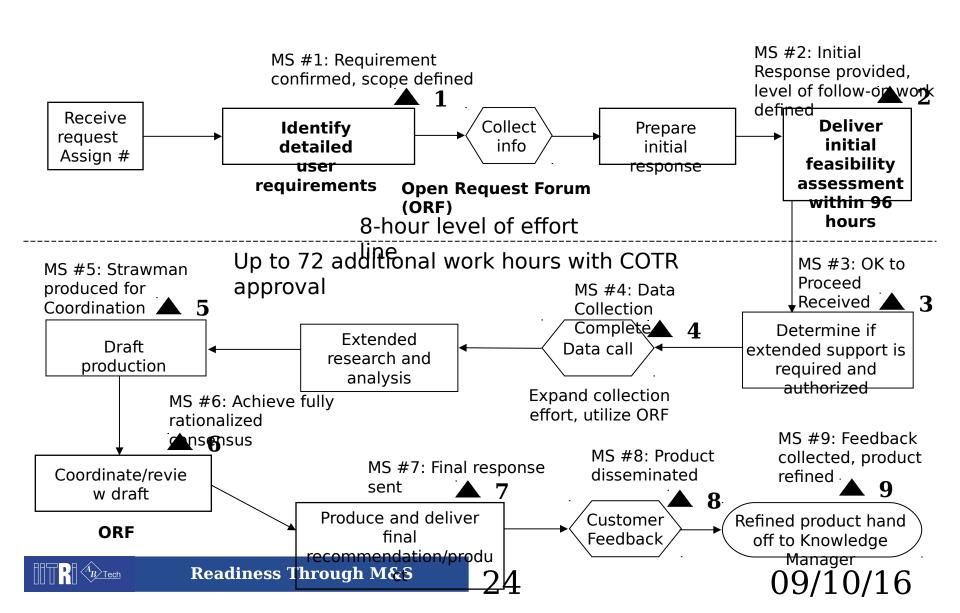

## What is MSIAC?

- As of 1 June, MSIAC was the new "one stop shop" for M&S information and assistance
- The functions of MSOSA and the DMSTTIAC have merged into a single activity
- MSIAC is the new Information Analysis Center (IAC) exclusively focused on supporting the M&S community
- DMSO and Defense Technical Information Center (DTIC) are Co-sponsors
- MSIAC provides scientific, technical, and operational support services to the M&S community ranging from responses to Basic
   Inquiries extensive Teganical Area Tasks09/10/16

#### **MSIAC Help Desk Process**

#### Incorporating IITRI's IAC ISS into **Day 1 MSIAC Represents Significant User Savings**

Online and Operating Today—Identified by DTIC as IAC Lea

#### **IITRI ISS**

**Promotes** information reuse
